Truro Cathedral

Welcome to Truro Cathedral's Children's Church!

The Children's Church is for children of all ages.

We meet every Sunday morning at 10am in the Cathedral Crypt.

The Children's Church is run to enable parents/carers to attend the service on their own if they would like to although they are also welcome to stay. We ask that parents of children under 4 stay to help them join in the activities. The children are brought to rejoin their parents just before the congregation begins to go up to receive communion.

There is a range of toys and books available for babies and young children and we aim to give the older children the opportunity and encouragement to both ask questions and express their views about the Christian Faith for themselves. Children's Church closely follows the cathedral services and the theme of the week is explored through bible stories, discussion, art and craft activities, music, singing and prayer. We hope that the children enjoy themselves as well as learning something about God.

Truro Cathedral Children's Church is covered by the Cathedral's Child Protection Policy and all adult leaders and helpers are CRB checked.

In the event of a fire/evacuation of the Cathedral the staff will take the children to the relevant muster point.

Children's Church is provided for the children of families who attend the service and therefore parents/carers must remain on the Cathedral premises whilst their child/children is/are in Children's Church so they can be called upon if their child is unwell/unhappy.

Many thanks for your co-operation.
